Experience the pinnacle of pampering at Okeanos Spa. Here, you can relax and renew with a soothing assortment of treatments, including facials, manicures, pedicures, full-body wraps and complete hair services at Brushes, Renaissance Aruba's signature in-spa salon. Okeanos Spa also incorporates tantalizing aloe treatments featuring fresh aloe, cultivated from our Zen Garden, to help envelop your senses and melt away your worries.

ACTIVITIES

SWIMMING

For those who want to dive right in, guests have their choice of two resort-style pools. They'll discover an inviting lagoon with a swim-up bar at the Renaissance Ocean Suites and an adult exclusive infinity pool located at the Renaissance Marina Hotel. If guests prefer salt water, they're free to head to the salt water lagoon at the Renaissance Ocean Suites or the private beaches on Renaissance Island.

ADULT-EXCLUSIVE AREAS

Renaissance knows that adults sometimes need a place to call their own. Guests can have fun, unwind and recharge in many different adult-only locations. Experience total relaxation at the Okeanos Spa located within the Renaissance Marina Hotel or enjoy our adult-exclusive pool, fitness center and lounge. Spend the day basking in the sun on Flamingo Beach, and when it sets, hit the casino. After a long day, guests can enjoy a late night bite with friends at the Lounge Midnight Grill.

MARINA

The 40-berth Renaissance Marina offers fresh running water, electricity, cable television, telephones and 24-hour security. Guests are free to bring their boat along, or simply to stroll or jog the boardwalk.

MOVIES

The Cinemas, located in the Renaissance Marketplace, features six theaters showing the newest releases and a full-service concession stand for all those movie snack must-haves. The theaters also serve as excellent venues for meetings.

CHILDREN'S PROGRAM

Patamingo Kids Club, the resort's year-round children's program, features day and evening sessions with fun-filled activities for kids ages 5 to 12. Days are spent building sandcastles, playing games and creating cool island crafts, while nights are filled with movies and beach parties with new friends. Babysitting services are also available. This way, adult guests with children can enjoy their alone time knowing that their little ones are looked after.

SHOPPING

Guests will transform the streets of Aruba into a runway as they explore over 75 boutiques and stores featuring the latest, standout trends of Oranjestad. To give your style a true status update, Renaissance Mall boasts luxury brands including Louis Vuitton, Gucci, Dolce & Gabbana and Kate Spade—making it Aruba's home for upscale shopping. Just down the boulevard, Renaissance Marketplace is where shopaholics will find stunning souvenirs in the form of designer fashions, accessories, fragrances and jewelry. This area is open from 10am to midnight, seven days a week.

GOLF

The 18-hole Tierra del Sol Golf Course, a 10-minute drive from the resort, is a magnificent desert-links course designed by Robert Trent Jones II. The par-71 course offers 18 holes of championship golf that challenge players of all skill levels. Tee-times are also available at The Links, a 9-hole course five minutes from the resort. Renaissance Aruba is an access partner with both courses, so hotel guests can arrange tee-times through the concierge.

NAVIGATOR & TOUR DESK

Our Navigators are motivated guides that are eager to help guests discover the island. They want everyone to see all that Aruba has to offer through the eyes of a local, guiding guests to restaurants and cultural events that are far off the beaten path. These guides live locally, giving the Renaissance Aruba guest an incredible way to find something they've never expected. Most places are within walking distance, so go out and sip, savor, see, and shop!

Navigators can also schedule a variety of other guest activities such as island tours, car rentals and more. For guests renting cars, valet parking is also available daily from 7am to 9pm on the lower level of the Renaissance Marina Hotel and Renaissance Ocean Suites.

NIGHTLIFE & GAMING

As the sun disappears, guests begin arriving at BLUE—a tantalizing martini bar located in the Renaissance Marina Hotel. Here, they can mix, mingle and meet over perfectly poured cocktails. Conversations lead into the night, and may lead them to the lounge for a late-night temptation or to the Renaissance Marketplace to enjoy different bars with indoor/outdoor seating and marina views.

One casino would be just fine for most, but at the Renaissance Aruba Resort & Casino, guests can get lucky at the 24/7 Wind Creek Crystal Casino, where they'll laugh and play in an elegant but laid-back atmosphere, or roll the dice at the Wind Creek Seaport Casino—the only waterfront Casino on Aruba—which offers race and sports booking with live satellite links to most major events. Both casinos are open to guests ages 18 and over. The new way of play.

EVENT FACILITIES

The Renaissance Convention Center is the largest and most modern facility of its kind on Aruba, and one of the largest in the Caribbean. With 22,000 square feet of indoor/outdoor meeting and function space, state-of-the-art audio/visual systems, and a professional convention services staff, it stands ready and able to handle events of any size.
