

INNER PEACE IN OUTDOOR SPLENDOR

Okeanos Spa offers the pinnacle of pampering, utilizing a bounty of local botanicals (including renowned Aruban aloe) to offer wraps, facials, treatments and more. Stop in for a mani, pedi or a full day of indulgence. Or, if you prefer your bliss in its outdoor form, enjoy a massage steps from the Caribbean Sea at our private Spa Cove as you feel your stress drift away with the tide.

LUCK BE WITH YOU

The resort's Wind Creek Casinos offer the finest gaming experience on the island of Aruba. Here, players can test both their luck and skill 24 hours a day, 7 days a week as they sit across from professional dealers and beside other sporting souls. Its Wind Creek Rewards program adds valuable incentives to an already amazing experience.

FIND SOUVENIRS IN DESIGNER STYLE

Take your casino winnings to Aruba's renowned Renaissance Mall and stroll in the sunshine while browsing the latest collections from Louis Vuitton, Gucci or Prada. Then, pick up the perfect accessories at Cartier, Kate Spade or Rolex. There are countless other shops as well, including some where you can purchase an extra suitcase to get all your finds back home.

WIND CREEK ARUBA RESORT

PARADISE FOR ADULTS & FAMILIES

At Renaissance Wind Creek Aruba Resort, you're presented with two distinct, though equally spectacular, choices of accommodations. First, our newly renovated Renaissance Marina Hotel is an adult-only option bustling with vibrant Aruban spirit. Here, stylish rooms are just steps away from the resort's casino and nightlife, and you're free to sip a cocktail while taking in views of colorful downtown Oranjestad. Second, Renaissance Ocean Suites provides both couples and families a sophisticated stay in one-bedroom suites with full balconies and enough room to stretch out. Views of the island or the ocean captivate, while a free-form pool offers a chic spot to cool off in-between taking in the resort's many activities.

WHERE FLAMINGOS AND GUESTS FLOCK TOGETHER

Renaissance Island is a unique oasis of relaxation offered exclusively to our guests, and one of the most photographed spots in the Caribbean. Accessible only by boat (in this case, our convenient water taxis), the island is home to roaming flamingos and iguanas, as well as the Papagayo Bar & Grill and Mangrove Beach Bar & Fish Shack. Its sands, shells and sunshine invite guests to soak up a truly tranquil experience. Meanwhile, private cabanas can be reserved for those seeking an elevated experience at sea level.

SUSTENANCE AND SOPHISTICATION

Please your palate with culinary delights throughout our resort. The finest steaks on Aruba are served in a luxurious setting at our own L.G. Smith's Steak & Chop House. FRESCO brings the tastes of Italy to Aruba's shores. Authentic Caribbean cuisine is served up daily at Aquarius. BLUE offers a quaint place to grab a drink by day, then amps up the energy with live DJs at night. Add in Solé, the Mangrove Beach Bar & Fish Shack, The Lounge and, of course, a Starbucks for your caffeinating pleasure, and you'll discover a wide array of dining & drinks to tempt your palate all times of day or night.
